

Brisbane Australia

Explore real world research at QUT

You're invited to the QUT Research Showcase at the University of Colombo on Monday 6 February, 2017. Hear about research training at QUT. This is an opportunity for academics, students, funding partners and agents to meet and interact with key QUT staff

QUT is one of Australia's fastest growing research universities, inspiring students with its innovative, real-world teaching and impactful research. As an ambitious and collaborative higher learning institution, QUT's world-class programs are internationally respected and consistently producing confident, competent graduates who are ready to take on the world.
