DEPARTMENT OF DISABILITY STUDIES
UNIVERSITY ADMISSIONS – ACADEMIC YEAR 2017/2018**

APTITUDE TEST

Bachelor of Science (Special) degree in Speech & Hearing Sciences (SHS)

The Faculty of Medicine, University of Kelaniya offers the only study programme leading to a BSc Degree in Speech and Hearing Sciences (specializing in Speech & Language Therapy or in Audiology) in Sri Lanka. Successful completion of the programme indicates professional competence to practice as a Speech and Language Therapist or an Audiologist in Sri Lanka. The curriculum includes both theoretical classroom based learning and practical experience in a variety of settings in the health, education and rehabilitation sectors. The overall aim of the study programme is to train competent Speech and Language Therapists and Audiologists who have the necessary knowledge, attitudes and skills to provide a range of rehabilitation services to people with communication disabilities, and to their families; to raise the level of awareness and knowledge about communication disabilities in the wider community of Sri Lanka; and to contribute to the development of the academic base in the field, through research and their own professional development in practice.

The duration of the degree programme is four years, with a modular structure and a minimum requirement of 120 credits. There is a compulsory research project during the final year. **The medium of instruction for the entire programme of study is English.** Only students who have passed the subject of Physics at the GCE A/L examination will be allowed to enter the Audiology track of the degree programme.
