Survey on identifying future requirements and utilization of existing resources of universities/HEIs

The University Grants Commission decided to request universities/HEIs to conduct a survey on utilization of existing resources of the universities/HEIs and identify prioritized future requirements to ensure the maximum utilization of available resources.

Accordingly, universities are expected to identify underutilized resources such as lecture halls and buildings etc. and introduce proper space sharing mechanism to allocate available facilities among all Faculties/Departments to ensure the effective utilization.

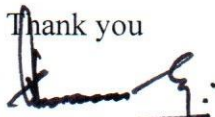

The following formats are sent herewith and available to download at UGC/Budget & Finance/ RUSurvey -2020. The universities/HEIs may be able to conduct this survey with the annual Board of Survey -2020.

1. Format 1 : Available space facilities in universities
2. Format 2 : Common facilities and areas
3. Format 3 : Future requirements & other comments

You are kindly requested to conduct the survey and submit the report to the UGC on or before 28th February 2021. Please contact Accountant/UGC on 011-2685021 for further clarifications.

Your corporation in this regard is highly appreciated.

Thank you

Snr.Prof. Sampath Amaratunge

Chairman

Cc: Vice Chairperson/UGC
