Review of Recruitment Process in Public Service

This is with further reference to my letter of even number dated 26.05.2023 on the above caption sent based on the letter of Secretary to the Prime Minister with letter no. PMO/SEC/01/09 dated 25.05.2023 on filling of vacancies in the University System.

As informed by the above mentioned letters, approval has been granted by the Cabinet of Ministers to recruit equal number of academic staff for the vacancies created due to retirement of academic staff **up to 01.06.2023** and for the vacancies created due to resignation and vacation of post of the academic staff **in year 2023** within the already granted budgetary allocation for year 2023, following the approved procedure for appointments of academic staff.

However, considering the requirement of continuing academic activities in a smooth manner and requests made by the concerned parties, hereby informed that temporary academic cadres of Universities/Campuses/Institutes can be temporary filled within the already granted budgetary allocation for year 2023, until such academic cadres are filled permanently subject to the conditions mentioned in the UGC letter of 26.05.2023.

Please take action accordingly.
